Cozy Striped Throw

FINISHED SIZE: One size (50" x 45")

YARN: 48 oz. bulky weight yarn
(16 oz. each of color **A**, **B** and **C**)

A lemon **B** lime **C** blueberry

TOOL TENSION: Using the easyloop® tool, PULL NEEDLE BACK 1 1/2 inches and PUSH NEEDLE INTO LOOP 1 1/2 inches.

GAUGE: 8 sts and 8 rows = 4 inches

STITCHES USED: **SINGLE FAUXCHÉT®** (push tool through BOTH FRONT and BACK LOOPS) turning work at the end of each row.

SPECIAL TECHNIQUES USED:

HORIZONTALLY STITCHED STRIPES:

Throw is stitched horizontally and can be turned vertically. Stripes are made by changing colors as indicated in pattern. Be sure to count rows to ensure equal width stripes.

SELF-FRINGING TECHNIQUE:

When changing yarn colors leave a 6 inch tail of yarn while tying on new yarn. These ends will later be trimmed evenly to a 4 inch fringe along the edge.

COZY THROW

FOUNDATION CHAIN: Using color **A**, chain 100 plus 1 turning stitch. Turn work.

ROW 1: With color **A**, slip stitch across row, making 1 turning stitch at the end of row. Turn work.

ROWS 2-3: Single fauxchét® across rows, making 1 turning stitch at the end of each row before turning work.

At the end of row 3 (before turning work) cut yarn color **A** and rethread tool

with yarn color **B** (see adding new yarn technique section of book). For self-fringing technique, leave an extra 6 inches of yarn when cutting and adding yarn.

ROWS 4-5: With color **B** and work turned, single fauxchét® across rows, making 1 turning stitch at the end of each row before turning work. At the end of row 5 (before turning work) cut yarn color **B** and rethread tool with yarn color **C**.

ROWS 6-7: With color **C** and work turned, single fauxchét® across rows, making 1 turning stitch at the end of each row before turning work. At the end of row 7 (before turning work) cut yarn color **C** and rethread tool with yarn **A**. Repeat rows 2-7, 16 more times, for a total of 103 rows of single fauxchét®.

End work by making 1 extra chain stitch into the last stitch.

FINISHING: Cut yarn and weave ends in. ❖

FRINGE: Self-fringing technique makes adding fringe easy and makes good use of the yarn ends that result when making stripes. You can also add extra fringe by cutting extra 9" strands of yarn and attaching along the self-fringed side.
